Aug. 3, 2022

Step 1. Visit the ePlanning project page at https://go.usa.gov/xSPrw (Note: Google Chrome or Firefox seem to work best). Your browser page should look like Image 1.

Step 2. Click on “Participate Now” (highlighted in green in left column & circled in red below for easy reference).
Step 3. Your next page should look like Image 2. Next, click on “participate now” again this time located in the right column of the page (Circled in red below for easy reference).
Step 4. Your page should now look like Image 3. You may now comment, upload files & provide contact information. Please note that before including an address, phone number, email address, or other personally identifiable information in any comments, be aware the entire comment — including personal identifying information — may be made publicly available at any time. Requests to withhold personal identifying information from public review can be submitted, but the BLM cannot guarantee it will be able to do so.
